## Amarone della Valpolicella Classico dry

Pietro dal Cerro,

Ca dei Frati, Venetien

99,00

*With the Amarone della Valpolicella Pietro Dal Cerro the family Cà dei Frati managed a masterpiece right away. The siblings Ignio, Gian Franco and Anna Maria Dal Cerro dedicate this wine to their father Pietro and returned home to Lombardy for the creation. The eleven acres of privileged vineyard Luxinum is around 75 kilometers east of today's vineyard at the foot of the Monti Lessini.*

*The expansion of the prestigious wine takes place at the headquarters. All in all it takes five years, of which the wine matures two years in wooden barrels. In the glass the Amarone Pietro captivates Dal Cerro through an intense, multi-faceted ruby red. The expressive bouquet is reminiscent of cherry liqueur, plum confit, tobacco and cocoa, with an ethereal Overtone of star anise. On the palate merge cherry-fruity and chocolate notes to a beguiling extra - sweet fabric, in the aparte Spice nuances are woven. The Amarone Pietro Dal Cerro by Ca dei Frati is an equally powerful one like graceful composition, an exceptional amarone with tremendous potential.*
